The Governors are responsible for the admission of children into the school. In the event of there being more applications than places available, the following criteria will be applied in the order listed below to allocate places:

In accordance with legislation, the allocation of places for children with an Education, Health and Care Plan naming the school in the plan will take place first (Children and Families Act 2014). Remaining places will be allocated in accordance with this policy.

1. **Looked after children** *Looked after children and previously looked after children*
2. **Siblings** of children already attending the school, this takes no account of children who will have already left by the time the child applying for a place starts.
3. Children for whom this school is the '**nearest school**' to their home address. Straight line distance as calculated electronically to three figures after the decimal point (eg 1.543 miles) by Lincolnshire County Council school admissions team from the Post Office Address Point of the home to the Post Office Address Point of the school.

If it is not possible to distinguish between one or more applicants within an admissions criteria, places will be allocated to those living nearest the school first measured by straight line distance as outlined in the definitions. If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place, then a lottery will be drawn by an independent person, not employed by the school or working in the local authority children's services directorate.

Definitions

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Measurement of distance – All Admission Authorities

Straight line distance as calculated electronically to three figures after the decimal point (eg 1.543 miles) by Lincolnshire County Council school admissions team from the Post Office Address Point of the home to the Post Office Address Point of the mainstream school.

Nearest school – Some Admissions Authorities

This applies when the school is the nearest state funded, non-selective, mainstream school to the child's address admitting children to the relevant year group; this is calculated by Lincolnshire County Council school admissions team using straight line distance to three decimal places e.g. 1.234 miles.

Definition of Siblings

- Another child normally resident for the majority of term time in the same household, for whom an adult in the household has parental responsibility as defined in the Children Act 1989.
- Twins and other siblings from a multiple birth - If twins or multiple birth children are split by operation of the oversubscription criteria, the school will accommodate all children unless this would make the class too large and prejudice the education of other children. Multiple birth children are 'excepted pupils' to infant class limits if allocated in this way.
- Brothers and sisters in the same year group - Where there is only one place available in the school the children will be considered together as one application. The school will go above its admission number as necessary to admit all the children, except in cases where infant class regulations prevent this from happening. If this happens, we can only legally offer one place because the government's school admissions code makes no exception to the infant class size limit for siblings in the same year group. We will only be able to offer the parent a place for one child.

Definition of Home Address – all admissions authorities

The home address is considered as the address where the child lives for the majority of term time with a parent (as defined in section 576 of the Education Act 1996) who has parental responsibility for the child (as defined in the Children Act 1989).

Where a child lives normally during the school week with more than one parent at different addresses, the home address accepted for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at two addresses during school term time with a parent, they can choose which address to use on the application. If a parent has more than one home, we will accept the address where the parent and child normally live for the majority of the school term time as the home address.

Process of application for the normal intake year – All Admissions Authorities

Arrangements for applications for places in (YR) at St. Gilbert's will be made in accordance with Lincolnshire County Council's co-ordinated admission arrangements; parents resident in Lincolnshire can apply online at www.lincolnshire.gov.uk/schooladmissions, they can also apply by telephone, or ask for a paper application form, by telephoning 01522 782030. Parents resident in other areas must apply through their home local authority. St. Gilbert's will adhere to the timescales outlined in the Lincolnshire County Council Co – ordinated admissions scheme available at www.lincolnshire.gov.uk/schooladmissions for these applications and the relevant Local Authority will make the offers of places on our behalf as required by the School Admissions Code (2014).

In Year admissions

Applications should be made via Lincolnshire County Council or directly to the school. If there are more applications than places, then the oversubscription criteria will be used to decide who should be offered the place. If it is necessary to refuse a place then you will be informed of your right of appeal. Parents can apply online at www.lincolnshire.gov.uk/schooladmissions or call 01522 782030 for a paper form.

Fraudulent or misleading applications

We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly. As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example if a false address was given which denied a place to a child with a stronger claim.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Parents wishing to make these requests must contact their home local authority for guidance on the procedure to follow. Parents resident in Lincolnshire should call 01522 782030 or email schooladmissions@lincolnshire.gov.uk for advice on the procedure to follow. It is important for parents to note that they will have the opportunity and responsibility to provide whatever evidence they wish to support their request. XYZ school will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned.

This will include taking account of:

- the parent's views;
- any available information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely.
- the views of the head teacher

Fair Access protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. Students allocated under fair access protocols will take precedence over those on a waiting list. St. Gilbert's will participate in Lincolnshire County Councils the fair access protocol.

Children of UK Service Personnel (UK Armed Forces)

For families of UK service personnel with a confirmed posting to the area, or crown servants returning to live in the area from overseas, the Governors will:

- *Process an application in advance of the family arriving in the area provided it is accompanied by an official letter that declares a relocation date and a Unit postal address, intended address or quartering area address to use when considering the application against the school's oversubscription criteria.*
- *Accept a Unit postal address or quartering area address for admissions purposes for a service child where the parent requests this.*
- *The Governors will not refuse a service child a place solely because the family does not have an intended address or does not yet live in the area.*

Evidence of an intended address will be required such as tenancy agreement, or mortgage statement. Please contact the school for more details.

Recommended wording part 2 - For late coordinated applications and midyear applications supported by the appropriate military documentation, we will aim to remove any disadvantage to UK service personnel (UK Armed Forces). The governors will consider whether:

- *An application from that address would normally succeed in an oversubscribed year.*
- *There is any child on the reserve list with higher priority under the oversubscription criteria.*
- *The prejudice from admitting an extra child would be excessive.*

The Governors have discretion to admit above the admission number in these circumstances if they wish, but are not obliged to do so. If a place is refused, you will be informed of your right of appeal.

Reserve list

For admission into the intake year the admission authority for St. Gilbert's school will keep a waiting list which we call a reserve list. If we refuse a place at our school your child is automatically placed on the reserve list, unless you have been offered a higher preference school. This list is kept in the order of the oversubscription criteria, as required by the school admissions code. Children can move up and down the list depending on where the other children are ranked against the oversubscription criteria. The admission authority must not take account of the time you have been on the list when allocating places. For the intake year the list is held by the Local Authority School Admissions Team until the end of August. After this the school admissions code requires that schools keep the reserve list until the end of the autumn term.

Designated Area for School Transport

Parents should refer to the Schools Transport Team at Lincolnshire County Council for advice on any potential designated transport.

Right of Appeal

Parents who are not offered a place for their child, have a right to appeal to an independent appeal panel under the 1998 Education Act. Parents wishing to appeal should make a request in writing to the Clerk to the Governors within 14 days of the date of notification of the decision.
