Dear Parents and Carers

## AYLMERTON RESIDENTIAL VISIT

### Parental Agreement for Administration of Calpol Six Plus

Whilst at Aylmerton we are asking for your permission for school staff to administer a dose of Calpol Six Plus to your child should the need arise, this could be because of a headache, earache, slight raised temperature, etc

We will advise you on our return that a dose had been given. If a more serious medical need arose we would contact you.

It is hoped that having this prior permission might mean your child can carry on and enjoy the activities.

We would not administer any Calpol Six Plus before 1:00 pm on Friday 11 October in case a dose had been given that morning before school for any reason

If you would like to give permission, please sign and return the slip by Monday 23 September 2024. If you do not give permission, or you only give your child a different painkiller, there is no need to return the slip.

Yours sincerely

*Sophie Foston*
