

Superheroes

Jurassic Adventure

Spring 1

Spring 2

# Hoglets

## Spring Term 2025

The children settled into nursery extremely well. They are taking every day in their stride. The children really enjoyed our topics in the Autumn term and particularly enjoyed learning about new stories and exploring and becoming familiar with their new environments, class friends and routines.

**Literacy development:** We will be exploring the following exciting texts: Superworm, Zog, Supertato, Tyrannosaurus Drip, How to Catch a Dinosaur and The Dinosaur Who Pooped a planet. We will be sharing the stories and doing a range of Expressive art and design creative activities based on each book.

**Maths Development** – We will be introducing concepts of more, fewer and the same, as well as singing counting rhymes using number language in our play.

### Superheroes -Understanding the world

We will be learning about superheroes, including everyday heroes such as the police, firefighters and doctors. We will be investigating different occupations and how they help us. We will learn to use a range of materials creatively to design and make products and to use drawing, painting and sculpture to develop and share ideas, experiences and imagination.

### Jurassic Adventure – Understanding the world

We will be learning about dinosaurs and comparing these to animals that roam the planet now. We will look at the features of different animals, naming body parts and thinking about the habitats that they live in. We will look at diet and ideas of how to stay healthy.

### Reminders

- Label everything! If clothes are labelled it will make it so much easier to return lost items.
- Forest schools is a Tuesday PM
- Please pack a change of underwear every day as children get very busy and excited often forgetting to go to the toilet until it is too late. (Please remember to return any nursery spares)
- Remember to regularly check the school website/tapestry for updates
